The University Club
of Winter Park

A Message from the Boardroom

Last year, the University Club was proud to participate in the first Juneteenth Celebration held by the Equity Council in Winter Park. The Club co-sponsored Shawn Welcome, Orlando Poet Laureate, whose poem about Hannibal Square was both moving and enlightening. We are happy to have been invited to participate again, this time for "A Night Under the Stars: Jazz & Jubilee at Shady Park." This premier event will be held Saturday, June 15th, 2024, from 5:00 to 10:00 p.m., and will be a memorable evening featuring live jazz music, delicious food, vendors, and a celebration under the stars. Like last year, the University Club will have a table at the event to promote our Club and invite people to check us out.

Shady Park, situated next to the Winter Park Community Center, is a beautiful outdoor venue perfect for a summer celebration, but if the weather doesn't cooperate the celebration will continue in the adjoining Community Center. Indoors or out, guests will enjoy a night of live music from some of the best jazz musicians in the area and performances from artists and dancers. There will also be food vendors serving delicious bites and retail vendors showcasing some of the best cultural wear, custom jewelry, art, and more!

Tickets to the event are free, but you must RSVP at the Equity Council Website (www.equitycouncilcorp.org - click on the Guest button under the banner). Last year's inaugural event sold out, so The University Club has reserved ten tickets for members willing to help us staff our table from 5:00 to 10:00 p.m. Tickets are sure to go quickly, so this is a great way to be sure you can get in and help the Club as well! If you'd like to help out and snare your tickets, email Jeannie Schiff at jrschiff92@gmail.com; please include "Juneteenth" in your subject line, and I hope to see you there!

Intellectual Activities

What a busy and successful time this has been. Thank you to all group leaders for your leadership in providing our members with both intellectual stimulation and a venue for friendship and conviviality! I'd like to begin by giving accolades to Joseph Bostwick and Gisela Davis for leading Opera Appreciation for the past seven years. They have decided to take a break. As is typical, Opera Appreciation will not meet until the Fall. Frank Barber has graciously agreed to lead the group on a short term basis and I ask anyone who has a passion for this art form to second Frank and prepare to take over the group's leadership. There have been discussions on changing the format to include more time dedicated to discussion and the time to 3:00 p.m. on the fourth Monday of the month, to allow those who prefer to drive during daylight. More information will be forthcoming this summer!

Also, a big shout out to Ralph Losey whose first Artificial Intelligence evening group meeting held more than forty people in attendance, and to Paul Breines, whose Jeopardy group was launched successfully in April.

And finally, a big welcome out to our new member Charles Corbin, who has proposed to lead two new groups. The first is Backgammon for beginners to accomplished players and but non-competitive. Meetings will take place on the second Monday of each month beginning in July. Boards will be provided if you don't own one. The second new group is Poetry Discussion, to read, discuss and even write poetry taking place on the first Tuesday of each month at 7:00 p.m. beginning in July.
