The University Club of Winter Park

A Message from the Boardroom

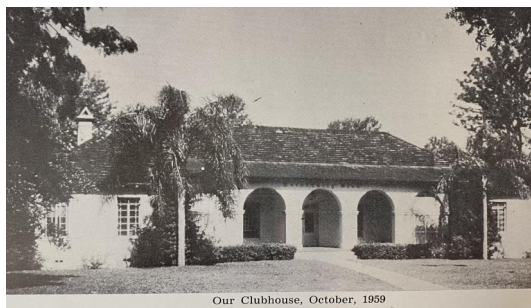

House and Grounds covers what you expect—the building and grounds. One of the various subcommittees under House and Grounds is the Art Gallery and exhibits, led by the very talented Bonnie Shapiro. When you see her, please thank her for her organization and for securing such great artists. And don't forget that most of the paintings are for sale.

Then there is the kitchen with equipment, dishes, tablecloths, tables and chairs, etc. Manuel is our always dependable person who gets the rooms ready for each event and takes them down. He does have part-time assistants who cover the weekends and other times. Manuel is not the operator of the sound and audio equipment, but he is

responsible for seeing that they are set up and operational.

So come and enjoy yourself, but remember that our events are only possible with the great work of the staff and Club member volunteers. My term ends April 30. It has been very satisfying and personally enriching to all work together as we maintained and improved our wonderful Club. I would like to extend a big welcome to our incoming VP House and

Our Clubhouse, October, 1959

Grounds, Bill McGuinness. I know he will do a great job for us.

The Library Corner

Many thanks to the University Club Library Volunteers!

At the end of April our Club membership year will come to an end and the new membership year will begin on May 1.

This past year the Club library has been maintained by a group of loyal volunteers.

They are:

Noel Delaney, Laurie Carlson, Pete Paulson, Barbara Buchele, Sherry Kragler, Howard Jaffe, Lori Pearson-Wise, Joan Liberman, Nancy Flaherty, and Gilda Gomez. Thanks to you all.

Intellectual Activities

Great news! We have two new activities at the Club. Beginning in April on the 2nd Monday of each and every month at 6:00pm, Ralph Losey and Joe Davis will be leading a group titled: **Artificial Intelligence: It Won't Kill You (probably)** in which participants learn about the latest developments in generative AI with short lectures and demonstrations followed by group discussion. The meetings are scheduled to last 1½ hours.

The second new activity is **JEOPARDY**. Using software to replicate the fabled TV show, Paul Breines, will act as MC and host of our Jeopardy game. If you like knowledge games such as Trivia, you'll love this. It will take place on the third Wednesday of each month at 7:00 p.m. and last for two hours.

Lastly, due to group input and suggestion, **Play Reading** led by Lori Pearson-Wise, will take place on the 2nd and 3rd Monday of each month at 1:00 p.m. for 1½ hours.

Ed Korry, VP Intellectual Activities

Central Florida Pledge

Many members of our community live in fear – fear for their own safety, fear for the well-being of their children, and fear of practicing their religion and identifying with their culture. We are a community of inclusion for all no matter our faith, race, ethnicity, culture, beliefs, or identity. In recognition of our diversity, a group of civic, religious, and business leaders created the Central Florida Pledge. I am pleased to tell you that board of directors unanimously authorized me sign the pledge as your president. The pledge is short and reads as follows:

I will lead by example, treating all people, especially those with whom I disagree, with kindness and respect.

I will refrain from inflammatory words and actions, and support those being attacked.

I will report threatening incidents of hate and violence to 800-423-TIPS (8477).

I will educate myself about antisemitism, Islamophobia, racism, homophobia, and all other forms of discrimination, and help others in my circle of influence to do the same.

I have never been prouder to serve as your president.

Mark O. Cooper
President

CLUB CALENDAR: Week of April 1, 2024

- Mon. Apr. 1**
10:00 a.m. **HISTORY** - Lynn Schiffhorst presents **Joseph Brodsky: From Soviet Dissident to U.S. Poet Laureate**. The life story of the poet Joseph Brodsky reads more like fiction than reality. Born to a Jewish family in Russia in 1940, Brodsky survived the Siege of Leningrad, the post-war depression, a term of forced labor in Siberia under Khrushchev, and finally, exile from the Soviet Union under Brezhnev. After his admirers brought him to this country, he won almost every honor the world had to offer for poetry, including the Nobel Prize. Lynn has taught English and Humanities at UCF and Valencia, and lectured thirty years for the Road Scholar (formerly Elderhostel) program. She is a published poet, fiction writer, and an amazing speaker. Lynn keeps the audience mesmerized as she opens the door to information and history you knew nothing about. She has a huge following so don't miss the opportunity to hear such a wonderful presenter. Co-Chairs: Sherry Levy and Ovid Vitas

Soprano Diana Damrau leads a stellar cast with The Met Opera and Chorus in a Blu-ray disc. Persian Night

Join us for an authentic cultural celebration of delicious Persian cuisine and enchanting music on Friday, April 12, that can't be missed. Persia, home to one of the world's oldest and richest cultures and traditions, and the nexus for eastern and western influences, has given rise to well-known poets Rumi and Omar Khayam.

Having one of the world's great cuisines prepared tonight by Orlando's *Ali Baba* restaurant and catered by George's Catering, you're in for a treat. The dinner and evening will be accompanied by talented Iranian musicians playing three distinct and melodic parts in which we learn more about this great and ancient culture and its attributes thanks to our fellow Winter Park Club members, Nargges and Hossein Albekord.
